

Maths

- Work through an Arithmetic Paper available on our Year 2 class page.

- Spend some time on Times Table Rockstars (www.ttrockstars.com) and record how many coins you have achieved. Your log in is in your yellow log.

- We will be learning about money (pence) in Week 1 and 2. Write a shopping list and add up the cost of 2 items on a number line and work out what coins you will need to use. You could play shops at home with your grown up and bring a photo in to show us.

PE

In PE will be learning about invasion games and gymnastics.

- What are invasion games? Can you research the different types of invasion games and create a fact file to say what you have found out? What is your favourite invasion game?
- Create a short gymnastics routine with away of travelling, a jump and a balance. You could take pictures of this and write the sequence out in your home learning book.

Reading

- Complete a 'Weather' Comprehension activity. Download this from our Year2 class page. Remember to underline where you have found your answer.
- Write a book review about your reading book. What was it about? What did you like about it? Would you recommend it?

Science

- Which liquid will melt the quickest? Freeze a cup of yoghurt, fizzy drink, fairy liquid, water etc. Take them out and watch to see which will melt the quickest and write to explain why you think this is.
- Download a template of 4 children from our class page. Can you use different materials to create and label an appropriate outfit for each of the four seasons e.g. use cling film for a coat so it is waterproof, fabric for a scarf because it is warm and some plastic for sunglasses because it is transparent?

Year 2

Home Learning Choice Grid Weather and Seasons

Choose one activity to complete each week and hand in to your class teacher. You must complete a different activity each week, choosing from a range of subjects linked to your topic. Tick off the activity once you have completed it.

Some resources will be available to download from our Year 2 website page. Please ask your class teacher if you would like a printed copy or any other resources.

Writing

- Research about weather in different countries and write some information about what you have found out.
- Write a report about the weather each day. Use the BBC weather website to help you.
- Use the Sound Collector poem from our Year 2 class page on our website to create your own Sound Collector poem about the sounds you might be able to hear at home or a different location.

Creative

- Make a rain stick using tin foil, a cardboard tube and dried rice or lentils.
https://www.youtube.com/watch?v=f3p_D7JSO9M (How to Make a Rain Stick : How to Use Foil to Make Rain Sticks)

- Create your own windsock. Use Google for some ideas.

- Collage a rainbow.

Spelling

- Write about the weather in the season of winter using a range of words ending in the suffixes -er, -ly, -est, -ful, -ing and -ed. For example: Winter is colder than any other season. It can be the wettest but most wonderful season of them all.

Geography

- Create a rain measurer and measure each day's rainfall over a week or 2 weeks.
- Keep a daily weather forecast over a week.
